***My eyes didn't see what I wanted to see  
My ears didn't hear the sound\_  
My lips didn't know half of what I say  
Make you laugh, make you come around***

She's an ordinary girl with a heart of gold  
What counts is the beauty inside I'm told  
An' she can be a doofus when she's not thinkin' straight  
So she'd better wise up before it's too late

#### Chorus

He's an ordinary boy with a heart of gold  
What counts is the beauty inside I'm told  
An' he can be a doofus when he's not thinkin' straight  
So he'd better wise up before it's too late

#### Chorus

S/he's an ordinary girl/boy with a heart of gold  
What counts is the beauty inside I'm told

### 6. IBIS vs TIP TURKEY

I. R. Williams

Ibis fly – beauty to my eye  
Beauty to my eye and it ain't no lie  
High above the world in a 'v' formation  
Cross the sky to a new location  
I'm lookin' up an' I can't forget that  
Noble silhouette like a supersonic jet

Tip Turkey got no table manners  
Tip Turkey hungry as a horse  
Gobble down the pizza  
Gobble down the sandwich  
Gobble down the pie with sauce

## 7. TIPTOE

I. R. Williams

Tiptoe, tiptoe... No-one knows  
Shadows on the rooftop... Creeping low  
In the moonlight while I sleep  
Creatures of the night-time peep  
Tiptoe, tiptoe... No-one knows  
Shadows on the rooftop... Creeping low

## 8. JIMMY JUMPER

I. R. Williams

Jimmy Jumper, Jimmy Jumper on a mud-flat( crab-pot) in the sun  
Little ripper, mud skipper, now what have you done?  
I skipped past a crocodile, I jumped 'round a boat  
Try 'n' catch me if you want to – Now you see me... (Clok-clok!)  
Now you don't

Willy Wagtail, Willy Wagtail on a branch out (clothes line) in the sun  
Little tattle-tail with a fan-tail, now what have you done?  
I dive bombed a tom-cat, I teased an old goat.  
Try 'n' catch me if you want to – Now you see me... (Hwit-hwit!)  
Now you don't

## 9. DINOSAURS

'Anonymous'

(from: *Music For Fun, Music For Learning – Lois Birkenshaw Barcelona Publishers, 2006*)  
Verses 2 & 3 Lyrics by Ian Ross Williams

Dinosaurs lived long ago when the world was new  
They were very big and strong - very scary too  
Some of them liked plants to eat, from the ocean floor  
Some would rather eat another dinosaur

Pterodactyls in the air watch Tyranosaurs  
See the hunter; see the hunted – giant herbivores  
Mighty were the steps they took, mighty were their roars  
Ruling over Planet Earth – the dinosaurs

Dinosaurs have disappeared –were dealt a knock-out blow  
All they left are fossil bones in the rocks below  
We should care for Planet Earth – no warning signs ignore  
Or we may all be extinct like dinosaurs!  
Like dinosaurs...

## 10. SO MANY STARS – YINGARTI JAPALINGA\*

I. R. Williams

So many stars on this clear night, Yingarti Japalinga  
Meteorites and satellites, Yingarti Japalinga  
Here we are in the universe, how beautiful and strange  
Time and space that I now traverse, how beautiful and strange  
See the light, shining light! In the starry, starry night  
See the light, shining light! In the starry, starry, starry night

\* 'Many stars' (Tiwi Aboriginal, Northern Territory, Australia.)

## 11. THE SUN GOES UP

I. R. Williams

The sun goes up and the sun goes down  
The days they come and they go  
The sun goes up and the sun goes down  
You know it will always be so

***It's dark at night but the days are bright  
We'll be together I know  
It's dark at night but the days are bright  
We'll stay together I know***

The tide goes in and the tide goes out  
The waves wash onto the shore  
The tide goes in and the tide goes out  
Forever the same as before

**Chorus**

## 12. DON'T TEASE THE MONSTER

I. R. Williams

Don't tease the monster  
Leave well enough well alone  
Don't wander where he wantster  
Or he'll make you weep & moan (x2)

Don't annoy the ogre  
Be quiet when he's asleep  
Tell him nothin' & take him nowhere  
Or he'll make you moan & weep (x2)

Do not disturb the dragon  
Let hibernatin' dragons lie  
Don't conjure the magical monster  
Or he'll make you weep & cry  
An' I'm telling you that's no lie

*Trip, trap; Diggetty-didge  
I'm gonna cross that rickety bridge  
1, 2, 3, 4, 5 - Be alert, be alive & you might survive  
6, 7, 8, 9, 10 - Wanna dance? Wanna dance?  
Then we'll play it again!*

## 13. HEY, GUESS WHAT

I. R. Williams

*Here I am, wanting you  
Waiting here, my arms wanna to hold you  
Here I am, wanting you  
Only you*

Hey, guess what – I'm leavin' Saturday  
I got my feet down onto the floor  
Hey, guess what – You charge my battery  
I'm comin' back for more

I packed my bag, my toothbrush too  
My heart is true, I wanna bring it to you  
I racked my mind, my heart and brain  
Sayin' 'Do what you gotta do, my darlin'

#### 14. ORIENTAL FANTASY

I. R. Williams

*Mandarin Chinese lyrics by Pin Lin*

Lotus flowers on the water, floating in my dreams  
Ancient temple on the mountain, paddy fields of green

Man xin huan xi xi; Dong fang hao mei li\*

#### **TRANSLATION (From Mandarin Chinese):**

#### 15. RAYYA'S LAMENT

I. R. Williams

Tears on the water, tears in the dust  
Cry if you want to, cry if you must  
Long is the journey deep in the night  
Sorrow blacken out the sun – gone is the light

Float on the water, play in the dust  
Cry if you want to, cry if you must  
Rest from your journey deep in the night  
I will bring a candle now – one drop of light
