With gold and diamonds there for me and you

Say goodbye to the wintery chill, Spring is sprung,  
see the blossom on the hill  
Birds and bees in the trees up above  
Can't stop thinkin' of love  
So fine, look at you so fine!  
This time baby you'll be mine  
Sunshine in the sky above  
Now I can't stop thinkin' of love

Hey, hey, hey – Sugar, how do you do?  
Sing that song... make it sweet as honey dew  
Winter blues? Gonna give 'em a shove  
Can't stop thinkin' of love  
So fine, look at you so fine!  
This time baby you'll be mine  
Sunshine in the sky above  
Now I can't stop thinkin' of love

#### **SPRINGTIME SONG 2**

No time now for hiding away  
Shine that smile on me

### 20. THE SILK ROAD

Come on a journey ancient and bold  
Follow Marco Polo down the old Silk Road  
Camels and merchants, spices and gold  
Oriental mystic danger, fortunes told

Through the mountains on the cliffs, by the ledge  
Through the valleys, by the clear water's edge  
Over bridges spanning death far below  
Come on a journey made long ago
